

I oppose loosening the rules designed to promote and protect diversity of media ownership. These rules were adopted to ensure that the public would receive a diverse range of viewpoints from the media, and not simply the opinions of a handful of media conglomerates.

Clear Channel in NC only offers and will only offer right wing propaganda messages in the format of talk radio. They all say exactly the same things in the same order, with the same emphasis. It's getting very frightening to see the extent of censorship. I have resorted to independent media as my only source of news and information. I remember the McCarthy period when the words "working class" were an indication of the speaker's sympathy to communist. Not the boogey man is the Liberal, according to present name calling. What's with the "Red Diaper Doper Baby?" It's all brainwashing now. Help!
